

Following on from last year's popular Practice-Ready Podiatry Seminar

heel me

podiatry + wound care

presents our first seminar for 2019:

PRACTICE - READY PODIATRY!

*An essential, informative one-day seminar that will take your
Podiatry knowledge and skills to the next level.*

Seminar facilitated by **Joseph Frenkel** (B.Pod, M.Sc), Podiatrist and Wound Consultant

Sunday 24th February 2019

9am - 4pm

Caulfield Town Hall

Places are limited. Seminar will
run subject to minimum numbers.

Final bookings close
17th February 2019.

Extend your knowledge and treatment skills in:

nail surgery | orthotic prescription |

biomechanics | dermatology | soft tissue therapy |

effective communication

**You will be guided, step-by-step, in the diagnosis and management
of conditions commonly seen in everyday practice to enable you to
consult with confidence.**

Enquiries: 0408 388 232 | Bookings: www.heelme.com.au

*Enquire about our Annual Membership that gives you access to this
seminar and others throughout 2019*

Practice - Ready Podiatry Seminar presented by

Joseph Frenkel

Bachelor of Podiatry (La Trobe University)

Master of Science (Wound Healing and Tissue Repair) (Cardiff University)

Advanced Certificate of General Dermatology (Bond University)

Experience Counts!

With over 14 years of clinical and teaching experience, Joseph is a highly qualified and energetic health professional. Having studied for over 8 years in undergraduate and post graduate settings and holding a number of academic positions (including lecturer, clinical supervisor, thesis examiner and curriculum developer), Joseph's expertise covers a large range of speciality areas including Biomechanics, High-Risk Foot, Dermatology, Wound Healing and Health Communication.

Seminars With Flair!

Joseph's passion for mentoring and teaching has driven him to develop clinically-relevant, up-to-date and engaging content for students, new graduates and experienced clinicians alike. With a primary focus on practicality *heel me* seminars are always fun, valuable and informative.

The Write Stuff!

Joseph is a regular contributor of articles and information for academic journals, health magazines and local publications. Joseph is also a regular editor for the Mark Allen publishing group of medical journals (British Journal of Nursing and the Journal of Wound Care).
